

# ATTENTION:

Please choose the size that best fits your newspaper's column width.

Do not stretch or shrink the ad.

# history

The news of today becomes history tomorrow. It is important for us to record stories about people, places and events so future generations can benefit by recovering their past. Time marches on but the words and deeds of our time will live on, recorded in print as our memories fade. We must learn from history and this newspaper is vital in the struggle to remember our past and plan for a better tomorrow.
