ENTRIES: Entries will be judged only in the category in which they are submitted online. Judges are not permitted to move entries to other categories. All entries become the property of OPA and may be reproduced in print or electronic format as educational material and/or exhibits.

ENTRY FORM: Every entry requires completion of an online entry form. If you submit multiple entries in one category, a separate entry form must be completed for each. Entry materials for categories 1, 2 and 3, which are mailed to OPA, also require completion of an online entry form. Print the completed form to mail with your entries.

ENTRY PREPARATION:

Most entries will be uploaded electronically as FULL-PAGE DIGITAL TEARSHEETS in PDF format. Detailed instructions are provided. Maximum

file size allowed is 5 MB. If you cannot upload PDFs, please contact OPA at 405-499-0020 or 1-888-815-2672.

If multiple PDF files are required for a single entry, combine all PDF files into a single file. This makes it easier for the judge to review your entry.

Three categories (News Content, Layout and Design, and Advertising) require that three full issues of the printed newspaper be mailed to the OPA office for judging. Print and attach the online entry form then mail to OKLAHOMA PRESS ASSOCIATION, 3601 N. Lincoln Blvd., Oklahoma City, OK 73105.

Categories #10-20 allow multiple entries per newspaper, but there is a limit on the number of entries allowed per newspaper or per person. These limits are indicated in each category description.

HEADLINES/TITLES: When completing your online entry forms, please use the following method for the "Headline or Title" field. The title of a story entry should be the headline. The title of a photo entry should be the subject, headline or first few words of the cutline. The title of advertising entries should identify the business, organization or ad headline to be judged. Titles will assist the judges in determining which story, photo or ad on a page is to be judged.

MULTIPLE PUBLICATIONS:

Newspapers having multiple publications or editions under one ownership with the majority of pages in common (news and/or advertising) may only enter issues of the publication or edition having the largest circulation.

IDENTICAL MATERIAL: Identical material may be submitted by only one publication – the newspaper that produced the majority of the content, or, if it was a shared responsibility, the newspaper with the largest circulation.

STAFF PRODUCED: All contest entries must have been produced by the newspaper's staff or regular paid contributors. Outsourced work may be entered, but the work must have been done exclusively for the newspaper entering the material. Syndicated material cannot be entered.

ADVERTISING ENTRIES: All ads must be original work by your staff. They must be conceived and sold by your newspaper staff. Clip art is acceptable, but no camera-ready ads should be submitted, such as those from advertising agencies or advertiser produced. All ads must be from your regularly printed newspaper. Do not submit ads from other publications (magazines, real estate guides or niche publications).

ALTERING CONTENT: All submitted digital content must be as it appeared in print, with the exception of color correction of photographs for print purposes. If an entry alteration is alleged, it must be reported to OPA, in writing and signed by the person or newspaper submitting the allegation, by December 31, 2019. If the OPA Board of Directors finds the entry has been altered, the newspaper will be disqualified from the year of entry when the action occurred and suspended from participation in the OPA Better Newspaper Contest for two contest years immediately after the Board decision.

LETTERS TO JUDGES: Comment letters to judges are required in Event 7, Sales Promotion, and Event 8, Community Leadership. Letters to judges may be included in other events but are not required.
